ABSTRACT

A brief abstract at the beginning summarises and highlights the major points of your paper. Check your margins! They should print so that both the left and right margins are ¾ inch.

INTRODUCTION

The introduction explains the purpose and scope of your paper and provides readers with any general information they need to understand your paper.

Admiral

This is a main topic in the paper body. This is the paper body. This is the paper body. This is the paper body. This is the paper body. This is the paper body. This is the paper body. This is the paper body. This is the paper body. This is the paper body. This is the paper body. This is the paper body. This is the paper body. If you need to include source code:

```
data one;
set two;
if mix(var1, var2) > 0 then do;
```

Continuation of body – after source code.

SUBHEAD

This is subtopic for the above. This is the paper body. This is the paper body. This is the paper body. This is the paper body. This is the paper body. This is the paper body. This is the paper body. This is the paper body. This is the paper body. If you need to include source code:

```
data one;
set two;
if mix(var1, var2) > 0 then do;
```

Continuation of body – after source code.

NEST
